Bio

Mariella Battipaglia is a medical doctor and specialist in psychiatry. She is a professor, supervisor, and training analyst of the Italian Association of Analytical Psychology (AIPA) in Rome and a member of the IAAP. She has been director of a psychiatric rehabilitation programme and an eating disorders programme for 20 years. She is a specialist in Relational Psychosomatics, a professor, and co-founder of the Training Institute of Integrated Relational Therapy (ITRI-Rome). She teaches a training course at AIPA and ITRI on "Transference and Countertransference in Analytic Psychology and in Contemporary Psychoanalysis." She has written many articles published in psychoanalytic journals and books. She has also been a speaker at national and international conferences.
